SUBJECT: Brief Summary Of Max Hayes Private Investigator Report

INVESTIGATOR: Gypsi Ward

This is a brief summary of the report provided by Max Hayes a private investigator hired by the Andreacchio family in reference to the death of their son Christian.

The report shows that on December,2014 his firm was hired to conduct a investigation into the death of Christian Andreacchio. Mr. Hayes conducted numerous interviews with witnesses as well as suspects according to his report.

Mr. Hayes read and documented the Meridian Police Department findings as far as the crime scene was viewed. The report reads in a manner where it suggest what needs to be done verses what he actually did.

Mr. Hayes did not type up a conclusion as to whether he felt it was a homicide verses a suicide. He simply suggest that due to his findings that the opinions of other experts be obtained and hopefully those findings will help to end speculation as to what may have caused the death of Christian Andreacchio.

Mr. Hayes wrote a 35 page report of his investigation as far as witnesses ,crime scene findings, lab reports and statements made by the Andreacchio family. His full report will be in the case file for further review. Nothing further at this time.
